

About RCC

Regional Centre Corporation for calibration, conformance and quality (RCC), Establish in 2009 at 2nd Industry Area of Dammam City, Saudi Arabia.

RCC provides Calibration services of highest accuracy level using the maintain reference standard and implementing the quality system comply with this ISO/IEC 17025:2005 requirements.

The goal is to provide effective calibration at a low cost, fast service and to obtain maximum customer satisfaction. The dedicated technical staffs place an emphasis on quality, integrity and customer service..

RCC looking to be Representative of notified bodies under conformity assessment programme for Gulf region.

RCC Provides Consultancy Services for establishing the quality system of ISO 17025, 9001, 14001, 22000 and 17020 standards

RCC will provide soon the inspection of home, commercial and industrial elevators.

Regional Centre Corporation for Calibration, Conformance and Quality

7250 - 2nd Industrial City
Unit No.: 1
AD Dammam 34327 - 2271
Kingdom of Saudi Arabia

CONFORMITY, INSPECTION, **CALIBRATION**, QUALITY CONSULTANCY

RCC QUALITY POLICY

"RCC Management is committed to provide Calibration Services with the best quality requirements which strives of continuous improvement of its quality System and services, in order to act effectively upon its quality objectives and exceed the expectation of its customers".

RCC Mission

Our Aim is to be the regional leader and customers preferred service provider with a commitment in delivering accurate and reliable services.

RCC Vision

Committed to customer's satisfaction to be a regional leader in the provided services.

Multi Product Calibrator
Fluke 5522A
Precision Multi Meter
Fluke 8846AA

Metrology Well
Fluke 9170/9173
Reference Thermometer
Fluke 1524
Standard Platinum Resistance
Fluke 5628

Class E2
Range: 1 mg to 1 Kg
Class F1
Range: 2 Kg to 20 Kg
Class M1
Range: 20 Kg to 1000Kg

Electronic Deadweight Tester
Fluke E-DWT-H
Documenting Process Calibrator
Fluke 754
Pressure Module
Fluke 700P05/700P09

Gauge Block
Mitutoyo Grade 0
Computerized Vertical
Trimos Mestra
Caliper Checker
Mitutoyo

Current Meter (AC/DC)
Voltmeter (AC/DC)
Ohmmeter
Capacitance Meter
Frequency Meter
Clampmeter (AC/DC)
DC Current Source
DC Voltage Source
Resistance Source

Multimeter (Digital/Analog)
Conductance Meter
Decade Resistance Box
Standard Resistor
Signal Converter
Multi Function Calibrator
Conductivity Meter (Sim.)
Frequency Generator
pH Analyzer (Simulation)

Digital Thermometer
Bimetallic Thermometer
Thermocouple Sensor
Temperature Transmitter
Temperature Indicator
Thermohygrograph
Temperature Recorder
Portable Bath Calibrator
Water Bath
Thermostat

Industrial Thermometer
Dry Block Calibrator
RTD Sensor
Temperature Calibrator
Thermohygrometer
Temperature Controller
Data Logger
Temperature Switch
IPRT

Analytical Balance
Top Loading Balance
Moisture Analyzer
Industrial Weighing Scale
Weighbridge
Truckscale
Triple Beam Balance
Weighing hopper
Counter Scale

Digital Manometer
Pressure Controller
Test Gauge
Pressure Transmitter
Pressure Transducer
Pneumatic Positioner
Pressure Calibrator
Pressure Relief Valve
Differential Pressure Transmitter

Control Valve
Pressure Switch
Pressure Gauge
Pressure Indicator
Pressure Recorder

Micrometer (Digital/Analog)
Digital/Vernier/Dial Caliper
Dial Thickness Gauge
Depth Gauge
Caliper Checker
Gauge Block
Dial Slot & Groove Gauge
Height Setting Master
Dial Indicator
Digital Comparator
